Workshops & Demonstrations

Our talented workshop presenters provide members with opportunities to sharpen their floral design, horticulture, and gardening skills.

Herb Garden at Squire Rich

Community Service Projects

Chippewa Garden Club, Inc., contributes to the community by:

- ❖ Providing over 500 pine seedlings on Arbor Day to the third graders in all the Brecksville and Broadview Heights Schools.
- ❖ Maintaining the herb garden at the Squire Rich Historical Museum in Brecksville.
- ❖ Awarding scholarships to eligible horticulture students.
- ❖ Providing garden and floral design related programs for children at our library.
- ❖ Providing Garden Therapy programs for seniors at a long-term care center.
- ❖ Staging a Standard Flower Show biennially as a gift to the community, through which the public can learn and share in the enjoyment of gardening and floral design.
- ❖ Establishing and mentoring community and school gardens.

About Chippewa Garden Club, Inc.

Formed in 1949, the goals of the founding members continue to be our same goals today over 65 years later:

- To cultivate beauty through gardening
- To study the fine art of flower design
- To aid in the protection of native plants and wildlife
- To encourage civic beautification
- To provide educational opportunities

Chippewa Garden Club, Inc. is affiliated with National Garden Clubs Inc., a national organization of state garden clubs that, through gardening activities and objectives, is making a world of difference in our environment.

Chippewa Garden Club, Inc. is also a member of the:

- Garden Club of Ohio – Cleveland District
- Central Atlantic Region of the National Garden Clubs, Inc.
- Cleveland Botanical Garden

We expect our members to collaborate in support of our nonprofit organization by actively participating in flower shows, community service projects and contributing to our annual November design fundraising program by selling tickets, donating to the raffle and providing refreshments for the event.
